**OFFICE OF PETITIONS**

In re Application of  
Colin Regan et al  
Application No. 10/615,451  
Filed: July 8, 2003  
Attorney Docket No. 012861-000021

ON PETITION

This is a decision on the petition, filed November 20, 2006 under 37 CFR 1.137(b) to revive the above-identified application.

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "**Renewed Petition under 37 CFR 1.137(b)**." This is **not** final agency action within the meaning of 5 U.S.C. § 704.

The above-identified application became abandoned for failure to reply in a timely manner to the non-final Office action mailed December 20, 2005, which set a shortened statutory period for reply of three (3) months. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the above-identified application became abandoned on March 21, 2006.

An extension of time under 37 CFR 1.136 must be filed prior to the expiration of the maximum extendable period for reply. See In re Application of S., 8 USPQ2d 1630, 1631 (Comm'r Pats. 1988). Accordingly, since the \$510 extension of time submitted with the petition on November 20, 2006 was subsequent to the maximum extendable period for reply, petitioner may request a refund of this fee by writing to Mail Stop 16, Refund Section. A copy of this decision should accompany petitioner's request.

A grantable petition under 37 CFR 1.137(b) must be accompanied by: (1) the required reply, unless previously filed; (2) the petition fee as set forth in 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required by 37 CFR 1.137(c). Where there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137 was unintentional, the Commissioner may require additional information. See MPEP 711.03(c)(III)(C) and (D). The instant petition lack(s) item(s) (1).

The petition submitted on November 20, 2006 was signed by one applicant, Colin Regan. **Communications received at the USPTO must be signed by all of the applicants.** 37 CFR 1.33(b) states:

“Amendments and other papers filed in the application must be signed by: (1) An attorney or agent of record appointed in compliance with § 1.34(b); (2) A registered attorney or agent not of record who acts in a representative capacity under the provisions of § 1.34(a); (3) The assignee of record of the entire interest, if there is an assignee of record of the entire interest; (4) An assignee of record of an undivided part interest, and any assignee(s) of the remaining interest and any applicant retaining an interest, if there is an assignee of record of an undivided part interest; or (5) All of the applicants (§§ 1.42, 1.43 and 1.47) for patent, unless there is an assignee of record of the entire interest and such assignee has taken action in the application in accordance with §§ 3.71 and 3.73.”

Further correspondence with respect to this matter should be addressed as follows:
